ORDER:

The Government approve the proposal of the Regr. of Cooperative Societies that provision should be made for free inspection by the staff of the Public Works Dept. , of the godowns constructed by Rural Credit Societies and Marketing Societies, with the help of subsidies sanctioned under G.O.(Ms.) No.1807 Development dated 2-4-1949, but without obtaining any State loans.

2. The Govt. direct that the following paragraph shall be added to G.O.Ms.No.1807 Development dated 2-4-1949:

"6. Every society receiving a free grant alone under these orders shall agree to inspection of the buildings during the progress of construction and soon after their completion, by a Govt. Engineer of rank not lower than that of an Upper Subordinate of the Public Works Department, free of cost to the soceity".

3. The orders in paragraphs 1 and 2 above will apply also to the contruction of godowns cum village Halls by Rural Credit Societies with reference to the orders contained in paragraph 1 of G.O.(Ms.) No.807, Dev. dated 1-3-1950.

4. The Regr. is informed that as the rules approved in G.O.Ms.No.3676, Development dated 12-11-1943, relate only to state loans and not to subsidies for the construction of godowns, it is not appropriate to make the necessary provision in the manner suggested by him.
